This specific yoga research (and YHLB course) contributes significantly to the body of evidence that yoga works for back pain (Cochrane, UK national guidelines for low back pain with or without sciatica, and other reviews) – therefore the general public and ...

**Interval training - Wikipedia**

Interval training is a type of training that involves a series of low- to high-intensity workouts interspersed with rest or relief periods. The high-intensity periods are typically at or close to anaerobic exercise, while the recovery periods involve activity of lower intensity. Varying the intensity of effort exercises the heart muscle, providing a cardiovascular workout, improving aerobic ...
