In place of the old bourgeois society, with its classes and class antagonisms, we shall have an association, in which the free development of each is the condition for the free development of all 1. 2. There is a widespread myth that Marx either rejected ethics altogether or that his comments on ethics and morality are at best incoherent. 3 These claims have a superficial plausibility.

FOSAF applauds the judgement handed down in the Mabola case. FOSAF is particularly heartened by the judgement handed down in the Mabola case in which the DMR and the DEA Minister gave permission for a large coal mine to be built within a protected area thus probably favouring a small politically connected elite.
