

abuse of power in pdf

Brain Power takes students on an age-appropriate exploration of the science behind drug abuse, explaining the effects of drugs on the brain and body.

Brain Power | National Institute on Drug Abuse (NIDA)

Institutional abuse. Institutional abuse is the maltreatment of a person (often children or older adults) by a system of power. This can range from acts similar to home-based child abuse, such as neglect, physical and sexual abuse, to the effects of assistance programs working below acceptable service standards, or relying on harsh or unfair ways to modify behavior.
