Wed, 12 Sep 2018 21:17:00 GMT The Romantic hero is a literary archetype referring to a character that rejects established norms and conventions, has been rejected by society, and has himself (or herself) as the center of his or her own existence. The Romantic hero is often the protagonist in a literary work, and the primary focus is on the character's thoughts rather than his or her actions.

Sat, 15 Sep 2018 03:05:00 GMT If you've played one of the martial classes, you might wonder why spellcasters get all the cool new toys. Sure, playing a fighter or rogue or monk can be fun, but they pretty much always have the same options – melee attack, ranged attack, full attack. There are occasionally things to make those interesting, such as cleave or grapple, but those options aren't always the best option.
