Painting is the practice of applying paint, pigment, color or other medium to a solid surface (support base). The medium is commonly applied to the base with a brush, but other implements, such as knives, sponges, and airbrushes, can be used. The final work is also called a painting. Painting is an important form in the visual arts, bringing in elements such as drawing, gesture (as in gestural ...

Easier to use than you think. I was a little worried about what my first ever texture application would look like but it came out great. I textured a large 2.5 car garage which had some less than perfect mudding and taping

(also done by me) and I applied a heavy orange peel texture.
