The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or "soft" skills qualities like perseverance, conscientiousness, self-control, and optimism play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...

How Children Succeed introduces us to a new generation of researchers and educators who, for the first time, are using the tools of science to peel back the mysteries of character. Through their stories – and the stories of the children they are trying to help – Tough traces the links between childhood stress and life success.
