Calgary Board of Education - CBE

Webber Academy Science Camp will allow students to expand their knowledge of science and technology while having fun solving an array of problems. The Science team What does it cost? It runs for three days, July 3-5, 2018 from ... Calgary in the Department of Biological Sciences.

Science - webberacademy.ca

We have science events and activities that allow people to come out and enjoy discussion groups, educational activities, watch presentations and much more. These are very low cost to no cost events. Everybody has something that they know that another does not and learning from each other teaches us about many things including ourselves.
