Adobe Captivate and PDF - eLearning Learning

The eLearning Guild's Handbook of e-Learning Strategy resets our compass, giving e-Learning practice and e-Learning strategy equal weight, as it should be. There's plenty in this book for a good grounding in e-Learning strategy. But what about strategy in general? What should you consider as you read each chapter? What constitutes strategic ...

The eLearning Guild's e-Learning Strategy

In Captivate she shares a wealth of valuable shortcuts, systems and behavior hacks for taking charge of their interactions at work, at home, and in any social situation. These aren't the people skills you learned in school.
