Nomadic people, also known as nomads, are communities of people that move from one place to another, rather than settling down in one location. Nomadism is distinguished from migration, which involves a major and permanent move from one location to another. Nomads, on the other hand, move periodically or cyclically, usually returning to their original location at various times.

After two winters of stuffing my face around this city I love, I thought I would put together a guide to Saigon street food, gathering some of the places I keep coming back to in one place. These are not the absolute best of everything, but rather a cross-section of delicious, cheap and authentic foods that are also conveniently located.
