CHIP puts health coverage within reach for all uninsured kids and teens who are not eligible for or enrolled in Medical Assistance.

Pennsylvania Children's Health Insurance Program

Thirteen years after welfare reform, the share of immigrant-headed households (legal and illegal) with a child (under age 18) using at least one welfare program continues to be very high.

Welfare Use by Immigrant Households with Children | Center

Immigrant health care in the United States is distinct from citizen health care given the context of various social and economic factors as well as implemented health policies. Consequently, in addition to managing the physical and emotional strains of making a cultural transition, immigrant families find themselves in an increasingly hostile social and political environment.

Immigrant health care in the United States - Wikipedia

This review is the first in a new series on the skills and labour market integration of immigrants and their children. With 16% of its population born abroad, Sweden has one of the larger immigrant populations among the European OECD countries.

Working Together: Skills and Labour Market Integration of

Data from the Census Bureau shows that 42.4 million immigrants (both legal and illegal) now live in the United States. This Backgrounder provides a detailed picture of immigrants, also referred to as the foreign-born, living in the United States by country of birth and state. It also examines the progress immigrants make over time.
