One-on-One Meetings (BNI Homework): These are one hour meetings between two members in a more personal setting billed as a way for you to get a deeper understanding of each otherâ€™s businesses. Sounds great on paper. In reality these meetings are often used by your fellow members as an opportunity to sell you their wares.

Further, because the API Licensing standards include restrictions that are not OEM/SAE sanctioned, which are written to restrict technologies to dramatically extend oil drain intervals and reach very low wear-rates, high-performance formulations are prohibited from licensing.. So API certification, which simply licenses the display of the API starburst, is NOT a mark of rigorous quality.

I don't deny the .308 (and 30-06) has been putting people in body bags for a long time. But that doesn't make it a good cartridge. If you will do some research, you will find that virtually every study conducted by the military has concluded that the 308 has too much recoil to be an effective close quarters cartridge.
