Engineering education is the activity of teaching knowledge and principles to the professional practice of engineering. It includes an initial education (bachelor's and/or master's degree), and any advanced education and specializations that follow. Engineering education is typically accompanied by additional postgraduate examinations and supervised training as the requirements for a ...

Engineering education - Wikipedia

Profit, in accounting, is an income distributed to the owner in a profitable market production process (business). Profit is a measure of profitability which is the owner's major interest in income formation process of market production. There are several profit measures in common use.

Profit (accounting) - Wikipedia

Boston College Law School is among the nation's best law schools. Our success is based on a tradition of educating lawyers through theory and practice, shaping leaders prepared to grapple with society's most important moral and ethical questions.
