

concerto in f major pdf

Misc. Notes As Mozart's third piano part is simpler than the others, the work may also be performed in a version for two pianos and orchestra.

Piano Concerto No.7 in F major, K.242 (Mozart, Wolfgang)

Misc. Comments. Revision of RV 442. Meant for flute, strings and continuo according to Sardelli (I think- I don't have access to his entire book Vivaldi's Music for Flute And Recorder (2007) right now; it does seem to contain much interesting information about this concerto and this history generally, though.)

Flute Concerto in F major, RV 434 (Vivaldi, Antonio)

F major is the home key of the English horn, the basset horn, the horn in F, the trumpet in F and the bass Wagner tuba. Thus, music in F major for these transposing instruments is written in C major. Most of these sound a perfect fifth lower than written, with the exception of the trumpet in F which sounds a fourth higher.

F major - Wikipedia

Piano Concerto No. 2 in F major, Op. 102, by Dmitri Shostakovich was composed in 1957 for his son Maxim's 19th birthday. Maxim premiered the piece during his graduation at the Moscow Conservatory. It is an uncharacteristically cheerful piece, much more so than most of Shostakovich's works.
