Some movements or sects within traditionally monotheistic or polytheistic religions recognize that it is possible to practice religious faith, spirituality and adherence to tenets without a belief in deities. People with what would be considered religious or spiritual belief in a supernatural controlling power are defined by some as adherents to a religion; the argument that atheism is a ...

Atheism and religion - Wikipedia

Vaccination and religion have interrelations of varying kinds. Almost no religions object to vaccination, and some parents either fake religious adherence or invent fake religions to provide exemption.

The cost of cancer care may be a concern if you or family member has been diagnosed with cancer. Because bills and debt can add up quickly, people may want to seek financial help soon after being diagnosed with cancer. Oncology social workers, case managers, doctors, and oncology nurses can help or provide referrals to support services and financial resources.
