

**downbelow station pdf**

The Alliance–Union universe is a fictional universe created by American writer C. J. Cherryh. It is the setting for a future history series extending from the 21st century out into the far future.. To date, the corpus of the Alliance–Union universe consists of 27 science fiction novels along with a series of seven short story anthologies edited by Cherryh and a few other miscellaneous works.

**Alliance–Union universe - Wikipedia**

Carolyn Janice Cherry (born September 1, 1942), better known by the pen name C. J. Cherryh, is an American writer of speculative fiction. She has written more than 80 books since the mid-1970s, including the Hugo Award-winning novels *Downbelow Station* (1981) and *Cyteen* (1988), both set in her Alliance-Union universe. She is known for "world building," depicting fictional realms with great ...
