The best-known group of bards in Scotland were the members of the MacMhuirich family, who flourished from the 15th to the 18th centuries. The family was centred in the Hebrides, and claimed descent from a 13th-century Irish bard who, according to legend, was exiled to Scotland. The family was at first chiefly employed by the Lords of the Isles as poets, lawyers, and physicians.

The bard is a standard playable character class in many editions of the Dungeons & Dragons fantasy role-playing game. The bard class is versatile, capable of combat and of magic (Divine magic in earlier editions, arcane magic in later editions). Bards use their artistic talents to induce magical effects. The class is loosely based on the special magic that music holds in stories such as the ...
